communications Services.	)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Touch 1 Communications, Inc. (Touch 1 or the Company) requesting a Certificate of Public Convenience and Necessity authorizing it to operate as a reseller of telecommunications services in the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1993) and the Regulations of the Public Service Commission of South Carolina.

The Commission's Executive Director instructed Touch 1 to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of Touch 1's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. Touch 1 complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. A Petition to

Intervene was filed by the Consumer Advocate for the State of South Carolina (the Consumer Advocate). Subsequently, the Consumer Advocate informed the Commission that it was satisfied that Touch 1's offering was consistent with other resellers approved by the Commission and that the Consumer Advocate would not participate in the scheduled hearing in this Docket.

A public hearing was commenced on January 17, 1995, at 11:00 a.m., in the Commission's Hearing Room. The Honorable Rudolph Mitchell, Chairman, presided. Touch 1 was represented by B. Craig Collins, Esquire; and F. David Butler, General Counsel, represented the Commission Staff.

In support of its Application, Touch 1 presented the testimony of Linda H. Farr, Director of Regulatory Affairs for Touch 1. Ms. Farr explained the Company's request for authority to provide interexchange telecommunications services in South Carolina as a non-facilities based reseller. Ms. Farr described the Company's services, its managerial, technological, and financial resources, and its marketing procedures. Ms. Farr stated that Touch 1 will provide its services in compliance with the Commission's rules and regulations. Ms. Farr also testified that Touch 1 would make certain changes to its tariff to comply with the rules and regulations of this Commission.

After full consideration of the applicable law, the Company's Application, the evidence presented by the Company and the Commission Staff, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. Touch 1 is incorporated under the laws of the State of Alabama, and has received a Certificate of Authority to Transact Business as a Foreign Corporation in the State of South Carolina.

2. Touch 1 operates as a non-facilities based reseller of interexchange services and wishes to do so in South Carolina.

3. Touch 1 has the experience, capability, and financial resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to Touch 1 to provide intrastate interLATA service and to originate and terminate toll traffic in the same LATA, as set forth herein, through the resale of intrastate Wide Area Telecommunications Services (WATS), Message Telecommunications Services (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.

2. The Commission adopts a rate design for Touch 1 for its resale services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. Touch 1 shall not adjust its rates below the approved

maximum level without notice to the Commission and to the public. Touch 1 shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1993).

4. Touch 1 is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers should be treated similarly to facilities-based interexchange carriers.

5. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if they so desire.

6. Touch 1 shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If Touch 1 changes underlying carriers, it shall notify the Commission in writing.

7. With regard to the origination and the termination of toll traffic in the same LATA, Touch 1 shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

8. Touch 1 shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

9. Touch 1 shall file its revised tariff and accompanying price list reflecting the findings herein and its agreed upon tariff amendments within thirty (30) days of the date of this Order. The revised tariff shall be consistent with the Commission's Rules and Regulations. Further, the tariff shall be filed with the Commission in a loose-leaf binder.

10. That this Order shall remain in full force and effect until further Order of the Commission.
